Prayer for Generosity

Dear Lord, make me generous. Make me even extravagant in my love for Thee and for those Thou lovest.

My affection for Thee has been measured; make it full.

My concern for myself has been selfish; let it lessen.

My sharing with others has been limited; make it bountiful.

Open my eyes to the needs of others.

Touch my hands to help them.

Dear Lord, make me generous to Thee. Then I shall surely be extravagant with everyone except myself.
